CONVENTION POLICIES

Comic-Con has a few policies we must all follow that are necessary for the safety and comfort of everyone. We appreciate your cooperation in helping to make Comic-Con a place that everyone can enjoy.

To help prevent scalping and counterfeit badges, Comic-Con badges are once again enabled with RFID (Radio Frequency Identification) tags. A complete Comic-Con badge is made up of two pieces only: the plastic badge holder with an RFID sticker attached and your daily or 4-Day paper name badge.

At various points of entry to the San Diego Convention Center, Hall H, and the Indigo Ballroom at the Hilton San Diego Bayfront hotel, you will encounter gates with a “SCAN HERE” indicator near the top of the gate. All you need to do is tap your badge briefly to the indicator. When you do, you’ll get a green light that indicates you’ve been validated and are okay to enter. When you leave, you MUST tap your badge out so you may re-enter when you return.

It is extremely important to remember to tap your badge when you leave, or you could be denied re-entry! If you forget to tap out or if you experience an issue with your RFID sticker, please visit one of the RFID Badge Help Desks located in Lobby A, D, and G of the San Diego Convention Center or visit the Registration Area located upstairs in the Sails Pavilion and look for the Attendee Badge Solutions desk. If you are sent to an RFID Badge Help Desk to resolve a badgeing issue, you will need a photo ID to validate that you are the badge holder of record.

Always wear your badge and hang on to it! You will need your badge to attend any Comic-Con function, including all daytime and nighttime panels and events at the San Diego Convention Center and other program and event locations around downtown (including the Marriott, Hilton, Hyatt, and Omni hotels, and the San Diego Central Library) and, of course, browsing or shopping in the Exhibit Hall. Keep your badge visible so guards do not stop you. If you’re asked to show your badge and photo ID, please do so.

Badges are nontransferable. Please do not give your badge to a friend or to people outside the Convention Center when you leave Comic-Con. Security will perform random ID checks throughout the convention, so make sure the name on your badge matches your photo ID! Access to the Convention Center area is restricted during the event. You will need to show your badge—or your badge confirmation email—to get onto Convention Center property, from Hall A through Plaza Park on the south end of Hall H.

Badge Privacy Notice
Your event badge is encoded with a number that allows exhibitors to obtain your full name, company name, address, phone number, and email address. If you allow an exhibitor to scan your badge using RFID or the barcode, they can get this information. If you do not want exhibitors to have your contact information, do not allow your badge to be scanned or give your badge to anyone else.

If an exhibitor scans your badge and obtains your contact information, they may contact you, send you information or share your information with others. SDCC does not rent, sell, lend, or give its mailing list to anyone other than parties that need the information to assist in producing our events (e.g., the registration and housing companies).

Code of Conduct
Attendees must respect commonsense rules for public behavior, personal interaction, common courtesy, and respect for private property. Harassing or offensive behavior will not be tolerated. SDCC reserves the right to revoke, without refund, the membership and badge of any attendee not in compliance with this policy. Persons finding themselves in a situation where they feel their safety is at risk or who become aware of an attendee not in compliance with this policy should immediately locate the nearest member of security or staff member so that the matter can be handled in an expeditious manner.

The Comic-Con Information Desks are located in the lobbies of Halls B and D of the San Diego Convention Center. During show hours you can always find a Comic-Con staff member or security guard at the Information Desks. Please stop by there if you have any questions or concerns.

Costume Props Policy
No functional props or weapons are allowed at Comic-Con. All costume props and weapons must be inspected daily at one of the Costume Props Desks. If you do not want to have your costume props or weapons inspected or tagged, or if you are not willing to comply with these policies, please do not bring your costume props or weapons to Comic-Con. For the full costume props policy, see the article on page 12.

COVID-19 Health and Safety
While San Diego Comic Convention (“SDCC”) cannot guarantee that its participants will not become infected with COVID-19 or other illnesses, SDCC will, at a minimum, comply with all federal, state, and local laws, mandates, and requirements, including masking, social distancing, limiting attendance, postponing and/or canceling an event, if required. SDCC reserves the right to modify requirements or limits for attending or participating in an event, including by requiring masks and/or vaccinations. By attending our events you agree to abide by entry requirements in effect at the time of the event. Before you attend Comic-Con 2024 each day, please be sure to visit our website, www.comic-con.org, for the latest COVID-19 information.

While not required at this time, SDCC recommends that participants do the following:

- Get vaccinated and boosted for COVID, if appropriate;
- Wear a medical quality mask while attending the event; and
- Obtain a negative COVID test result prior to attending the event.

If you do not have a face covering and would like one, please visit one of our information desks in the lobby.

No Handouts
No distribution of any materials—including flyers, stickers, cards, or any promotional item—is allowed in any area inside or outside the San Diego Convention Center, except from within a booth in the Exhibit Hall or when preapproved for placement on the Freebie Table in the Sails Pavilion.

No Bicycles, Scooters, Segways, or Hoverboards at Comic-Con
Scooters, bicycles, and Segways are not allowed on the San Diego Convention Center grounds, including inside the building. By order of the fire marshal, hoverboards are not allowed at Comic-Con, including all inside or outside areas of the San Diego Convention Center, and additional venues featuring Comic-Con events.
No Handcarts, Trolleys, Rolling Luggage, or Oversized Strollers in the Exhibit Hall

Please be aware that, for safety reasons, no handcarts, trolleys, rolling luggage, or oversized strollers are allowed in the Exhibit Hall. Attendees found on the exhibit floor with these items will be asked to leave the Exhibit Hall.

No Live Streaming of Any Program or Event at Comic-Con

The usage of live streaming apps and software on any electronic device (smartphones, tablets, laptops, etc.) is not allowed in any official Comic-Con program and event room, both on-site at the San Diego Convention Center and in other Comic-Con venues.

No Market Research at Comic-Con

SDCC does not allow third-party market research, surveys, or information gathering in any public area—indoors or outdoors—of the San Diego Convention Center, or any other venue featuring Comic-Con events.

No Pets Allowed

If you have pets, including iguanas, parrots, boa constrictors, or other nonhuman critters, please leave them at home. The San Diego Convention Center will not allow animals into the building except for service animals. If your service animal is not wearing any kind of ID identifying them as a service animal, you may be stopped by security. For your convenience, please stop by Disabled Services in the lobby of Hall A for Service Animal Stickers for your Comic-Con badge.

No Retail Sales Unless Exhibit Space Has Been Purchased

No retail sales are allowed anywhere in Comic-Con unless you purchased or were allocated exhibit space. This includes the Exhibit Hall, common areas such as lobbies, hallways, and Program rooms, or outside venues such as the San Diego Convention Center grounds as well as any venue featuring official Comic-Con events. Retail sales are strictly limited to the exhibitors in the Comic-Con Exhibit Hall. In addition, there is no solicitation of tips, fees, or donations for any reason, unless you have a booth, table, or official space allocated by Comic-Con.

No Running

For the safety of all, there is absolutely no running anywhere at Comic-Con. This includes the Program rooms, the hallways and lobbies, in our outside spaces, and in the Exhibit Hall at all times, especially in the morning when we first open the hall. We understand the urgency to get to a favorite booth (or program or anime screening or event) right away, but running is a safety hazard for EVERYONE, not just the person running. People caught running may have their badges taken away from them and be ejected from the convention. Don’t run . . . it’s not worth it!

No Selfie Sticks or Similar Devices

Selfie sticks, GoPro poles, stilts, or any device that extends your camera or phone away from your hand or body are not allowed at Comic-Con. If you’re seen with one of these devices, you will be asked by security to put it away and not use it at Comic-Con. This includes all of the San Diego Convention Center: Exhibit Hall, Program and event rooms, etc., on Convention Center grounds outside, and any official Comic-Con events outside the Center, including the hotels, theaters, and the Library.

No Sitting in Exhibit Hall Aisles

By order of the fire marshal, sitting in the Exhibit Hall aisles is not allowed. Lounges are located throughout the Comic-Con Exhibit Hall and near food concessions for your convenience.

No Smoking, Including E-cigarettes and Vaping Products and Devices

Smoking is not allowed at any Comic-Con function or space at any time and in any location. No smoking at Comic-Con includes traditional cigarettes, any vaping products or devices (e.g., “vape pens”), E-cigarettes, pipes, and cigars. This policy includes all function, exhibit, and event spaces at the San Diego Convention Center or any other additional Comic-Con venues.

The Convention Center is a non-smoking facility. You are welcome to use the designated areas outside the building where smoking and vaping are permitted, but please be considerate of others when you do. This policy is in place not only for the comfort of attendees but also to comply with state and local ordinances prohibiting smoking at public buildings near any doorway, entrance, exit, or operable window. Please comply with this policy; non-compliance may result in ejection from the convention.

No Strollers Allowed in the Program Rooms

By order of the fire marshal, strollers are not allowed in any of the programming rooms. Stroller parking is located in various areas in the San Diego Convention Center; see the maps in this publication for exact locations. Stroller parking will be free of charge and provided on a first-come, first-served basis. Please note: Comic-Con will not provide security or check-in/check-out for the strollers.

No Video or Audio Recording of Panels for Public Display

Cameras and recording devices are permitted in Program and panel rooms but cannot be used to reproduce the presentation and must not interfere with other fans’ enjoyment of the presentation. Any recording of panels or programs is allowed only for personal use and not for broadcast in any form. No video or audio recording is allowed of the footage on the screens during movie and television panels. The footage shown in these panels is exclusive, brought to us by the studios and networks. Please respect their rights and allow us to continue to show this type of material to our attendees.

Prohibited Items

Alcohol or alcoholic beverages are not allowed inside the San Diego Convention Center or at any of our official offsite events. Bag searches may be performed at various entry locations. Wanding and metal detectors may be used at some locations as well. Make sure to leave your drones, helium balloons, helium-filled products, fireworks, handcarts, trolleys, rolling luggage, and pets (excluding service animals) at home. Absolutely no functioning props or weapons are allowed. Only active on-duty police officers may carry firearms within the Convention Center. All other persons are strictly prohibited regardless of license or status.

Wearable Cameras/Video Recorders/Camera Phones

Remember that recording of footage on the screens during panels is prohibited (see above: No Video or Audio Recording of Panels for Public Display). This includes any recording device, whether digital, analog, or otherwise, including Google Glass, Snapchat Specs, or any wearable cameras. You cannot wear these devices during footage viewing in any Program room. If your Google Glass is prescription, please bring a different pair of glasses to use during these times.

Please turn off your devices (phones, tablets, laptops, etc.) and put them away during the screening of panel footage. Not doing so interferes with everyone’s viewing quality and causes security to think you’re recording the clip.

SDCC reserves the right to change or modify any policy or rule at any time and without notice.
Use this guide to locate Comic-Con events and services. All locations are in the Convention Center unless stated otherwise. To find specific rooms, consult the maps in the center of this publication, or see “How Do I Get to . . .” on page 80.

HOW TO USE YOUR RFID BADGE — TAP IN/OUT

To help prevent scalping and counterfeit badges, Comic-Con badges are once again enabled with RFID (Radio Frequency Identification) tags. At various points of entry to the San Diego Convention Center, Hall H, and the Indigo Ballroom at the Hilton San Diego Bayfront Hotel, you will encounter gates with a “SCAN HERE” indicator near the top of the gate. All you need to do is tap your badge briefly to the indicator. When you do, you’ll get a green light that indicates you’ve been validated and are okay to enter. When you leave, you MUST tap your badge out so you may re-enter when you return.

It is important to remember to tap your badge when you leave, or you could be denied re-entry! If you forget to tap out or if you experience an issue with your RFID badge, please visit one of our RFID Badge Help Desks located in Lobby A, D, and G of the San Diego Convention Center or visit Badge Solutions in the Registration Area located upstairs in the Sails Pavilion. Remember, to resolve a badging issue, you will need a photo ID to validate that you are the badge holder of record.

Always wear your badge and hang on to it! You will need your badge to attend any Comic-Con function, including all daytime and nighttime panels and events at the San Diego Convention Center and other program and event locations around downtown (including the Marriott, Hilton, Hyatt, and Omni hotels, plus the San Diego Central Library and of course, browsing or shopping in the Exhibit Hall). Keep your badge visible so guards do not stop you. If you’re asked to show your badge and photo ID, please do so. Badges are nontransferable. Please do not give your badge to a friend or to people outside the Convention Center when you leave Comic-Con. Security will perform random ID checks throughout the convention, so make sure the name on your badge matches your photo ID!

A complete Comic-Con 2024 badge is made up of two pieces only: the plastic badge holder with an RFID sticker attached and your daily or 4-Day paper name badge(s). You must wear and display your complete badge at all times while on-site at any official Comic-Con event.

Anyone with damaged or tampered with badges/RFID stickers will not be allowed access to the San Diego Convention Center. If your RFID sticker is damaged, or has been removed, please bring your badge confirmation, damaged badge/sticker, and a valid photo ID to the Badge Solutions Desk in the Sails Pavilion when you arrive on-site.

HARBOR DRIVE RESTRICTIONS FOR COMIC-CON 2024

In order to maximize safety and security during Comic-Con 2024, access to Harbor Drive in front of the San Diego Convention Center will be temporarily restricted during the annual convention. The San Diego Convention Center, in partnership with the Port of San Diego and the City of San Diego, are providing information to assist attendees, the general public, and stakeholders about pedestrian and vehicular access, restrictions and detours during Comic-Con.

Harbor Drive—between First Avenue and Park Boulevard—will be restricted to ALL traffic, including cars, bicycles, scooters, skateboards, and shared mobility devices (dockless bicycles and scooters) on the following days and time:

- Wednesday: from 3:00 pm to 10:00 pm
- Thursday–Saturday: from 7:00 am to 10:00 pm
- Sunday: from 7:00 am to 8:00 pm

A valid Comic-Con 2024 badge or confirmed registration in-hand is required for access to any part of the San Diego Convention Center, including the front drive, terraces, sidewalks, Plaza Park area, or the Ace Parking underground garage during the event times listed.

STUDIO OR EXHIBITOR SIGNINGS AND MERCHANDISE TIME SLOTS

The online Exclusives Portal was designed to help decrease the time spent waiting in line for ticketed exclusives, and increase the time available for doing the things you love!

If you were selected to participate in a studio or exhibitor exclusive signing or an exclusive merchandise purchasing time slot, please refer to your selection confirmation for details on where to pick up your wristband or item.

Fans that were selected online must read their selection confirmation for detailed redemption details (where to go, when to go, and what to bring).

Please join Comic-Con and San Diego Blood Bank for our 48th Robert A. Heinlein Blood Drive. Your donations are desperately needed and will save countless lives. Our blood drive is the San Diego Blood Bank’s largest and longest-running drive.

The growth of the blood drive over the years has been phenomenal. The Robert A. Heinlein Blood Drive began at Comic-Con in San Diego back in 1977, at the El Cortez Hotel. In that first year, 148 pints of blood were collected; in 2023 the blood drive collected 14,748 pints. Over the years, a total of 77,573 pints of blood have been donated by Comic-Con attendees, exhibitors, professionals, volunteers, and staff!

Donation areas are located in the Coronado Ballroom at the Manchester Grand Hyatt Hotel and at San Diego Blood Bank Donation Centers. Donors will receive a free Deadpool/Wolverine T-shirt from Marvel Studios and other great goodies (while supplies last). Some donors will win big prizes in the donor drawing as well. You can take a look at the drawing prizes at the Blood Drive Desk in the Sails Pavilion near Lobby 6.

**Blood Drive Hours:**
- Wednesday–Saturday, 9:00 AM to 6:00 PM
- Sunday, 9:00 AM to 3:30 PM

**The Art Show**
The Comic-Con Art Show is located in the Manchester Grand Hyatt Hotel in Grand Halls C & D. You’ll see numerous original drawings, paintings, sculptures, pieces of jewelry, and more “unusual” items, all created and displayed by more than 100 professional and amateur artists.

If you want to add something to your collection, many of the pieces are offered for purchase by either Silent Auction or Quick-Sale. To purchase artwork, you must be 18 or older and have legal identification. Payments may be made with cash or a credit card. Ask for details at the Administration table inside the Art Show.

The Art Show also displays the books and comics nominated for this year's Will Eisner Comic Industry Awards. Come and see the best comics and graphic novels of 2023!

The Art Show is open to the public; you do not need a badge to come in and enjoy or purchase artwork. However, everyone entering the Art Show is expected to comply with all Convention Policies expected of Comic-Con attendees.

For your convenience, the Art Show is open **one hour after** the Exhibit Floor closes on Thursday, Friday, and Sunday to make it easier to bid on or pick up your art.

**Art Show Hours:**
- Thursday, 11:00 AM to 8:00 PM
- Friday, 9:00 AM to 8:00 PM
- Saturday, 9:00 AM to 6:00 PM
- Sunday, 9:00 AM to 6:00 PM

**Hospitality Suites**
Looking for a place to enjoy a light snack and beverage in between the day’s events? Come to the Hospitality Suite at the Marriott Marquis, in the Marriott Grand Ballroom 8–9. The Hospitality Suite is open from 2:00 to midnight on Thursday, Friday, and Saturday of the convention (closed on Sunday). You must have a valid Comic-Con badge to enter the suite.

PARKING - PLAN AHEAD

Parking can be one of the most challenging aspects of coming to Comic-Con, but a little knowledge ahead of time will help. While Comic-Con itself has no control over parking in downtown San Diego, our advice is simple: Come early and be prepared with a map of parking locations, so you don’t have to spend your time driving in circles trying to find another lot if your first choice is full.

Keep in mind that event parking rates will be in place for the entire weekend of Comic-Con throughout San Diego. These rates are higher than normal daily parking rates and are set by the individual parking companies, not by Comic-Con. Rates could change from day to day. Comic-Con therefore highly recommends that you use the trolley or take advantage of the free shuttles that service most of the official Comic-Con hotels and designated parking lots (see page 13 in the Events Quick Guide). For more information on the trolley, visit the MTS website at www.sdmts.com/inside-mts/events/comic-con.

For updated information on parking and public transportation to and from Comic-Con, visit www.comic-con.org/cc/plan-your-visit/getting-here/transportation

VOLUNTEERS

There is no on site registration for volunteers. If you have signed up to be a Comic-Con volunteer, report to the Volunteer desk at Marina Ballroom FG at the Marriott Marquis & Marina. If you are interested in volunteering next year or for any of Comic-Con’s other events, visit the Volunteer desk to get information about future shows.

BAG CHECK

It’s 10:00 AM on Thursday and you’ve already purchased two giant superhero statues that you just can’t live without! But you’ve a full day of Comic-Con ahead of you … what do you do? Luckily you’ve got the Bag Check! The two Bag Check stations are located in the main lobby on the ground floor level of the Convention Center, near Hall E and Hall F. You can check your purchases and other items until you’re ready to leave the building. The charge is $5.00 per bag. Don’t forget to pick up your treasures before leaving the building, as items cannot be left overnight.

BAG CHECK SCHEDULE:

- **Wednesday** | 2:00–9:00 PM
- **Thursday–Saturday** | 7:00 AM–12:00 AM
- **Sunday** | 7:00 AM–6:00 PM

COSTUME PROPS POLICY

All costume props must be inspected daily at one of the Costume Props Desks. The Costume Props Policy is subject to change at any time and final approval on costume props will be at the sole discretion of our Prop Safety Officers.

There are two Costume Prop Desks: one near the outside door in the lobby of Hall E, and the second in Lobby C2, between the escalators. Prop Safety Officers will also be walking entry lines each morning.

After your costume prop(s) have been checked, they will be tagged by security to designate that your costume prop(s) have been checked and approved. This tag must remain visible on your costume prop(s) while you are at the event. Security will escort you to the Costume Props Desk for inspection if your costume prop(s) is not tagged.

Simulated or costume props may be allowed as a part of your costume, subject to prior approval by security and compliance with the following:

- All cosplay must abide by Comic-Con’s Code of Conduct.
- No functional or sharp-edged props or weapons are allowed at Comic-Con.
- All costume props must conform to state and federal law.
- Replica projectile costume props must be rendered inoperable and covered with brightly-colored caps.
- Functional (real) arrows must have their tips removed and be bundled and zip-tied to a quiver.
- Certain props may need to be tied to your costume in such a way that they can’t be drawn. Our Prop Safety Officers will make these determinations.
- Costumes featuring stilts must be approved at the Costume Props Desk.
- Realistic cosplay of first responders and/or security is not permitted.
- At certain times, due to crowds and safety issues, oversized costumes may be asked to leave the Exhibit Hall and/or programming rooms.

If you do not want to have your costume prop(s) inspected or tagged, or if you are not willing to comply with these policies, please do not bring your costume prop(s) to Comic-Con.

The Costume Props Policy is subject to change at any time. Please be sure to continue to check this website closer to the event to ensure your costume prop(s) comply with the current Costume Props Policy.

CON EXCLUSIVE COVER
Our on-stage costume competition was first added to Comic-Con events back in 1974, when the entire attendance of the convention, set at the El Cortez Hotel, was just over 1,900 people. While the early years of music on audiocassette tape and modest stages enhanced with hotel light stands are far behind us, the original idea is still the same, just expanded on, with more amazing and clever costumes, a much better venue, and with audiences numbering over 5,000. This year, after an estimated 2,000 costumes have crossed our stages, we once again present our Saturday evening event that gives costumes the spotlight it deserves and offers the big show stage to our attendees to show that creativity, imagination, and talent are in all of us, not just our attending professionals!

Comic-Con is a celebration of the popular arts, and costumes play a vital role in all of them. Costumes define characters, and enhance stories, setting, and mood in multiple ways. They are even an art all by themselves, not needing a movie, stage show, music video, comic book or computer game to have impact. Our Exhibit Hall displays them on posters, comic book covers, collectibles and more, but the ones we really notice are those brought to life for us, the cosplay creations crafted and worn by our attendees as they stroll the halls or pose for photos. Not a dance or party as the name implies, it is an on-stage competition, where re-created and original design costumes are brought to life in clever and entertaining presentations with drama, humor, storyline and more, each with specially selected music and lighting. And, with trophies and generous cash and other awards for the top costumes!

The Masquerade will start at 8:30 pm Saturday in Ballroom 20 of the Convention Center. Doors will open for audience seating at 8:00 pm, but the line for choice seating will start forming earlier. To help audience members avoid waiting in a lengthy line, FREE seating tickets will be given out at 12 noon Saturday near Ballroom 20, and again after 3:00 PM at the Masquerade desk nearby. A ticket assures that you will have a seat, so you can then go enjoy the panels and return later. Tickets are NOT required, however, and once the ticketed line has all gone in, then anyone without a ticket is welcome while seating remains. There will be a seating section for convention special guests and approved press that reserve a seat at the Masquerade desk near Ballroom 20. Disabled attendees should visit the Deaf and Disabled Services desk to coordinate seating, and there will be a sign-up for the hearing impaired. The ballroom holds nearly 4,000 and sometimes fills. The show will also be shown simultaneously on large screens in the Sails Pavilion (about 500 seats) and Ballroom 6A (no tickets needed for either).

The event will run until 11:00 pm, including an intermission for judging, and then the presentation of awards. Along with the Comic-Con awards bestowed by our guest judges, representatives from organizations and companies will also be selecting their own winners of generous cash prizes and trophies. To ensure great viewing for everyone, multiple cameras will be capturing close-up views for projection onto the high-definition screens.

Our emcees will again be the always entertaining five-time Hugo Award-winning artists and writers Phil Foglio and Kaja Foglio. Together the husband-and-wife team have created, published, and contributed to a variety of comics, art, novels and games in the science fiction, fantasy, and steampunk genres through their company and website StudioFoglio.com, featuring their popular Girl Genius series.

During the Judging Intermission there will be a new dance performance by The Corps Dance Crew! Founded in 2013, the group is comprised of dancers from all over southern California who are trained in numerous genres of dance including jazz, ballet, tap, and all foundations of hip-hop. The group has placed highly in many dance competitions, and performs regularly at Comic-Con International, WonderCon, Anime California, Anime Los Angeles, and Sabakon in Las Vegas.

Also returning for the Intermission will be the San Diego chapter of The Saber Guild, Jedha Temple. For the first time ever, they will be joined by members from Temples Skywalker, Concordia, Nar Shaddaa, and Temple Prime to perform their newest show: “Hidden Path: The Trials of the Jedi: When the Galactic Empire descends on an annual celebration held by a peaceful outer rim world, the Jedi Knights of the Hidden Path unite to train the captives to rebel against the Emperor’s Sith forces. But when an Inquisitor sets her sights on the festival, a Padawan will be forced to face the trials of the Jedi or risk losing himself and the prisoners to the dark side of the Force.”

The Saber Guild is a global not-for-profit Lucasfilm-recognized Star Wars choreographed lightsaber performance club, of which Jedha Temple is the San Diego branch. Saber Guild provides original Star Wars stories through exciting lightsaber battles in media-accurate costumes. They perform at many charity and community events, as well as comic and sci-fi conventions, to raise money for charitable causes and share their love of Star Wars.

- The Costume Designers Guild, IATSE Local 892 will be presenting Best Costume entry with a trophy designed by CDG illustrator Felipe Sanchez and created by Lucid Studios Specialty Costume Fabrication Character FX Rentals in Burbank California and a $500 gift certificate from International Silks and Woolens in Los Angeles. The CDG is a labor union representing costume designers, assistant costume designers, and costume illustrators working in motion pictures, TV, commercials, music videos, and new media.
- The Costume Designers Guild will also present another award, in honor of the late Costume Designer Guild member Shawna Trpcic, whose work was one of the founding designs in the Star Wars television world for Disney. The CDG has proudly created an award that will live on in her memory at San Diego Comic-Con’s Masquerade — Best Sci-Fi Costume. We hope this will serve as a lasting tribute to her excellence in costume design and her personal commitment to Comic-Con. In addition to the award, the winner will receive a gift bag worth over $500.
- Oksana Shore Award for Excellence in Craftsmanship. This special award, arranged by professional costume designer Jennifer May Nickel, is given in the memory of Oksana Shore, an exceptionally talented tailor, pattern maker, and friend to many in the industry. A member of IATSE Local 479, she made costumes for film and TV that are costumed around the world, and her attention to detail and craftsmanship were superb. Gotham Knights, Legacies, Loki, Stranger Things, and WandaVision were just a few of her projects. She was a wonderful, caring person who quietly worked to make the world a little better and brighter by helping her friends and family in Ukraine. This award is given to the entry that captures her spirit and skill of Pattern, Construction, and Craftsmanship, and will include a trophy and a new Benina/BNette sewing machine!
- Comiczooz & Pop Culture Store, San Diego’s #1 source for comics, graphic novels, & collectibles, located in the Clairemont Mesa area since 1993, will present an award for what they deem the Best In-Character Performance, with a generous prize of a limited-edition special collectible statuette, an Amazon gift card of $300, and a $200 Comiczoo store gift card.
- Comicon International will present a special award given in memory of a long-time Committee and Board member Alan Campbell, who passed away and is sorely missed. Alan was a great fan of the Masquerade, often donating his own prize. The Alan Campbell Award will be $500 cash, presented to the entry deemed Best Re-Creation of a Comic or Related Media Character or Characters, as selected by a representative of the Board of Directors.
- The Costumer’s Guild West (CGW), southern California’s costuming fandom group, will present a one-year membership to CGW, as well as a full scholarship and a complimentary 1-night hotel stay to their weekend conference, Costume College®, held each July at the Sheraton Gateway Los Angeles Hotel. This year their event was a week before Comic-Con, so their winner may choose 2025 or 2026. It will be given to the entry their representatives select as Showing the Most Promise. Costume College provides educational lectures and workshops in every aspect of costuming!
- Pontik.com, an international source for the latest entertainment, music, fan convention, cosplay and international fashion news, including everything for the Geek Community, with a YouTube channel to promote all of that, will be participating for their first time providing a $500 cash award for what their representative deems the Best Prop (craftmanship and how well it suits the costume idea) accompanying a costume in the show.
Hall H First-Seating Wristbands and Guidelines

Hate waiting in line? We do too! To help you manage your valuable time at Comic-Con and to discourage line cutting, the First-Seating (formerly Toucan Tracker) wristbands will be returning to Hall H for 2024!

First-Seating wristbands give attendees flexibility based upon their priorities at Comic-Con. If you wish to get a front section seat in Hall H, you are welcome to wait in line overnight once you receive your First-Seating wristband. If seat placement is not a priority to you, First-Seating wristbands allow you to reserve general seating in Hall H and come back in the morning. First Seating wristbands are essentially a way for you to know that you have a seat in Hall H, whether you are physically in line or not!

For safety reasons we cannot allow anyone to line up until all tents, canopies, stanchions, delineators, and more are completed at the event. This includes all adjacent areas to Plaza Park, the Embarcadero, and other areas as well. There is to be absolutely no waiting nearby for the work to be completed. We estimate that all work and setup will be completed by Wednesday, July 24, however this timeframe is not guaranteed.

**SO HOW DO THEY WORK?**
First-Seating wristbands will be given out the night before, for the next day’s first Hall H panel. Please note: You must have a valid badge for the day listed on the wristband being distributed. For example, Saturday morning’s First-Seating wristbands will be given out on Friday night, and those receiving them must have a valid badge for Saturday. After verifying your badge, you will receive a First-Seating wristband that must be securely attached to your wrist.

Once you receive your First-Seating wristband, you have three options:

1. **You may leave, get a good night’s rest, and return to the end of the wristbanded line before 7:30 am.** Please keep in mind that you must be there before 7:30 am.

2. **You may leave someone to hold your place in line, and return before 7:30 am to meet them. You will be allowed to join them in line as long as you have a matching First-Seating wristband for your group. If your group wishes to enter together, all members of your group will need to get First-Seating wristbands at the same time, so plan accordingly.

3. **You may immediately line up for the following day’s first panel in Hall H.**

If you decide to leave the line at any point, you may return to the end of the First-Seating wristbanded line prior to 7:30 am and still gain entry to the first panel of the day in Hall H. You do not need to wait overnight! If you return after 7:30 am, you will have to go to the end of the entire Hall H line and may not receive first seating.

**Note: Someone must be present in the line at all times.** You can hold space for yourself and up to 2 other people 13 years old or older, and up to 2 additional children 12 years old or under with a child badge. Children must be badged to enter Hall H, please see our child badge policy (https://comic-con.org/cci/child-badge-policy-0) for more information.

Please note: As above, all persons in your group must have a valid badge for the day listed on the wristband being distributed. All persons in the group MUST be present when First-Seating wristbands are distributed. First-Seating wristbands will be placed on the wrist of the wearer, and no additional wristbands will be handed out.

*In an effort to accommodate as many people as possible with the least amount of impact for all, please follow the rules below:*

- **Camping is not allowed.**
- **Absolutely no tents, canopies, inflatables, cots, beds, furniture, oversized coolers, space heaters, large fans, large umbrellas, chaise lounges, open flames, or anything of a similar nature of any kind as determined by the Convention Center and the Port.
- **You are permitted to have one chair per person of relatively normal size. You may also use a blanket or sleeping bag, provided it is only taking up the space of one person.**
- **You cannot leave unattended personal items (chairs, sleeping bags, umbrellas, etc.) as a placeholder in line.** Someone must be present at all times.

WHERE DO YOU GET THESE FABULOUS FIRST-SEATING WRISTBANDS?
First-Seating wristbands will be distributed at the front of the Next Day Line for Hall H. Distribution times vary by day. Please see the map for the location of the Next Day Line. You will need your Comic-Con 2024 badge or your barcode confirmation to receive a wristband. Be aware that IDs will be checked, and the name on your photo ID must match the barcode confirmation.

**DISTRIBUTION DATES/TIMES**

- **Wednesday, July 24:** First-Seating wristband distribution for Thursday panels in Hall H will begin at 7:30 pm in the general Hall H line in Plaza Park.
- **Thursday, July 25:** First-Seating wristband distribution for Friday panels in Hall H will begin at 7:30 pm at the front of the Next Day Line.
- **Friday, July 26:** First-Seating wristband distribution for Saturday panels in Hall H will begin at 8:00 pm at the front of the Next Day Line.

To address front-of-line crowding issues, our Line staff will begin distributing “line” wristbands to the first portion of the line each day to assist our staff in keeping track of the number of people in line at that time. This “line” wristband alone will not allow access into Hall H; it is only being used to assist our staff in monitoring the front of the line and will be replaced with the First-Seating wristband as they are distributed in the evening. These “line” wristbands will allow the wearer to save space for up to an additional 2 people as described above, until the First-Seating wristbands are distributed.

Remember, you do not need to wait in line overnight to receive first seating. Your First-Seating wristband ensures first seating for the first panel of the day in Hall H. You are welcome to have someone hold your place in line or simply return to the end of the wristbanded line prior to 7:30 am.

Wristbands will only be used for the first panel of the day in Hall H. Once the wristband line has been let into the hall, individuals without wristbands will be allowed to enter.
WHAT ABOUT THE ADA HALL H NEXT DAY LINE?
We’re glad you asked! The ADA Hall H Next Day line will also have First-Seating wristbands. Please visit the Deaf and Disabled Services in Lobby A for detailed information about ADA First-Seating wristbanding.

THE FINE PRINT:
First-Seating wristbands are issued such that the wristband holder will be eligible for first seating for Hall H on the day listed on their First-Seating wristband (barring any unforeseen circumstances). We anticipate that all holders of First-Seating wristbands will be able to get seating for Hall H if you follow the guidelines above. Comic-Con reserves the right to refuse entry to any person for any reason.

First-Seating wristbands cannot be traded or sold. By receiving a wristband, you agree not to sell, trade, transfer, or share your wristband. In the event that San Diego Comic Convention/Comic-Con International (SDCC) determines that you have violated this policy, SDCC has the right to cancel your badge(s) with no refund.

SDCC reserves the right to change times or procedures for distributing any wristbands for any reason. Safety concerns, and requests from the Convention Center, the fire marshal, police, city, or Port may require we change these published plans.

Industry and Community Advisory for Comic-Con Museum Education - Calling industry, educator, and community members: the Comic-Con Museum Education Center wants your input. Imagine what your childhood could have been if you had access to programs designed to inspire and prepare our youth for creative careers, and build a safe space for kids in the geek world to engage and connect. In this interactive session, hosted by Emily Schindler (Comic-Con Museum Education Director), Jewyl Alderson (San Diego County Office of Education), and other engaged educators, we hope to catalyze a community of industry and community stakeholders to make industry-aligned education programs more accessible, more representative, and more responsive to the needs of Comic-Con and the education community. The following industries are focus areas, and we encourage your attendance and input: Comics Industry, TV/Film, Costuming/Cosplay, eSports/Game Design, or any others in the Creative Workforce.

Comic-Con, Comic-Con Museum, and logos are registered trademarks of San Diego Comic Convention.
As attendance at Comic-Con has grown, so has the number of programming events—the largest of any comics or popular arts convention in the country. It spans all four days and includes 20 separate rooms in the Convention Center, ranging from 256 seats to the massive 6,500-seat Hall H.

On Saturday night, the Sails Pavilion is turned into “Party Central” for the gala annual Masquerade party, where you can watch the show on the big screen with a live DJ.

Beyond the Convention Center, you will find Comic-Con programming at four other locations in or close to downtown: the San Diego Central Library, the Hilton Bayfront Hotel, the Marriott Marquis, and the Omni San Diego Hotel.

Programs at the Central Library are located in the Shiley Special Events Suite and The Neil Morgan Auditorium. The Library is in downtown across the Harbor Drive pedestrian bridge at 330 Park Blvd. Programs at the Hilton Bayfront, just south of the Convention Center, are in the Indigo Ballroom. The Omni San Diego Hotel is on L Street, across Harbor Drive from the Convention Center next to Petco Park.

The Marriott Marquis San Diego Marina Hotel has once more opened their meeting space to us. The main facility is located on the Harbor Drive side of the hotel which is adjacent to the Convention Center on the Hall A side. Programs are in Grand Ballroom 6, Grand Ballroom 10 & 11, Grand Ballroom 12 & 13, and Marina Ballroom D. The Marriott Marquis serves as the headquarters hotel for Anime, Films, nighttime Games, the Hospitality Suite, and the Comic-Con International Independent Film Festival. Once again the Comic Creator Connection and the Game Creator Connection will be held in Marina Ballroom D, and Starship Artemis in the Santa Rosa room.

Returning to Comic-Con this year as an offsite programming location is the Omni San Diego Hotel. Programs in the Omni Hotel will be located on the 4th floor, in the Omni Grand Ballroom DE. For the third year, Comic-Con features a track of gaming-based programs in the Omni Hotel, also on the 4th floor, in Omni Grand Ballroom ABC.

As attendance at Comic-Con has grown, so has the number of people attending the programs. To make everyone’s programming experience as pleasant as possible, please follow these guidelines. While they apply to all events and rooms at Comic-Con, including Anime, film screenings, and Games, they are particularly important in the larger programming venues: Rooms 6A, 6BCF, 6DE, Ballroom 20, Hall H, and the Indigo Ballroom. These procedures are for safety purposes and to help ease line and crowd control issues. They include:

In the primary Program room area (Rooms 3 through 11 on the top level of the Convention Center), the four hallways leading into these rooms have been designated as either entrance only or exit only. Please see the map on page 26 in the Events Quick Guide and look for the signage over each of the Program room hallways upstairs.

In addition, each room has a definite entrance and exit, and some of the larger rooms have specific areas for lining up. When you’re in a room, please watch the presentations on the screens that occur between events for directions for leaving once a program is over. The various maps in the Events Quick Guide show the locations of specific room entrances, exits, and lines. Also, look for signage that will help you locate the correct line for each Program room.

Comic-Con has a break built in between programs in the five largest Program rooms (6A, 6BCF, 6DE, Ballroom 20, Hall H, and the Indigo Ballroom). This break is to help get attendees in and out in a timely manner. **Rooms will not be cleared during these breaks.** (The programs in the other rooms—3, 4, 5AB, 7AB, 9, 10, 11, 23ABC, 24ABC, 25ABC, 26AB, 28DE, 29AB, 29CD, and 32AB—will still run back-to-back and without breaks.)

Please keep in mind . . .

Seating in all event rooms at Comic-Con is on a first-come, first-served basis. Because of the sheer number of attendees, simply having a badge does not guarantee a seat in programs and events or an autograph from a specific celebrity. If there is a specific program or presentation you would like to see, it’s always a good idea to plan accordingly and arrive early.

**Seating is limited in each room,** from the smallest (256 seats) to the largest (6,500). To help everyone, please:

- Do not put your bags, food, or other items on the seat next to you.
- Please do not save seats.
- Do not leave gaps in seating. Please fill in all seats.
- If you are standing in a room, you may be asked to move or to find a seat. This request is for safety reasons and is under the jurisdiction of the fire marshal. Standing in any Program room at any time is not recommended.
- There is no reserved seating for press. Press badges do not guarantee entry to any event.
- Comic-Con does not clear rooms between events. You are permitted to stay in the same room for multiple programs (with certain

exceptions; if a room is to be cleared, it will be announced).

**Full rooms**: Rooms filled to capacity will be closed, and no additional attendees will be admitted. This policy is under the jurisdiction of the fire marshal.

Recording of any of the video footage or images projected onto the screens in any of the rooms is strictly prohibited. Hollywood movie and television studios go to great lengths and expense to bring these special presentations for Comic-Con. In many cases they are exclusive, specifically for you, the Comic-Con attendees. Recording of any of these presentations, by any means, including cameras, camera phones, and smart eyewear, is a violation of copyright law. Please don’t ruin it for everyone! If any of these special presentations appear on the Internet, the studios may stop bringing the footage and exclusive content we all love so much. Comic-Con has an exemplary record in this regard, and that’s why you’ll continue to see exclusive material only at our events, but only you can make sure that continues.

**Photography**: Each program has its own set of rules, and sometimes photography is allowed. When taking pictures, please keep these guidelines in mind:

- Keep flash photography to a minimum.
- Take photographs from your seat.
- Selfie sticks, GoPro poles, or any device that extends your camera or phone away from your hand are not allowed.
- Follow the rules of each particular panel. Some events will not allow photography of any kind. An announcement will be made if that is the case.

**Q&A**: When asking questions of the people on stage, please be courteous. For example, please don’t ask for a kiss, a hug, an autograph, a baby, a prom date, or the chance to give speakers a copy of your script, résumé, or movie. Such requests stop a program in its tracks. These celebrities are taking time out of their busy schedules to see you. Please treat them with respect. Because of time constraints, sometimes not everyone who gets in line will be able to ask a question. In the bigger rooms (Rooms 6A, 6BCF, 6DE, Ballroom 20, Hall H, and the Indigo Ballroom), your question will be screened before you can ask it.

**Cell phones**: Just like in a movie theater, please silence all cell phones when you enter any Program room. If you must take a call, please leave the room to do so, but be advised that if the room is full and closed, you may not get back in. At all times, please be courteous to your neighbors.

**Trash**: Please take your trash with you. Remember that other people will also be attending events in the room following you. Do not leave trash on the chairs or in the area around your seat.

**Cancellations**: In rare instances, a panel will have to be cancelled because of a situation out of Comic-Con’s control. Keep in mind that all programs, events, and listed appearances are subject to change.

**In Hall H . . .**

Comic-Con is once again using the massive 6,500-seat hall known as Hall H. This hall is so huge that in addition to the notes above, it has some specific guidelines:

- The line for Hall H starts outside the building in Plaza Park. Look for the sign that reads “Hall H line begins here.” Note that you cannot camp out in the Plaza Park area—see the rules listed on page 20.
- The Toucan Tracker wristband policy returns for its seventh year after some minor modification in 2023. Wristbands will be given out for the first panel of each day in Hall H.
- Please remain seated once an event starts and leave only after the event finishes.
- There are restrooms in Hall H. When you are facing the stage, the restrooms are to your right. If you leave the hall—for any reason—you may not be allowed back in or you may have to get in line to get back in. Again, because of fire marshal rules, this policy will be strictly enforced, with no exceptions.

Comic-Con International has the best attendees in the world, and comics publishers, Hollywood studios, and everyone in the pop culture industries knows this. That’s why Comic-Con has the most incredible guests and programs of any convention. We know you’re here because you love this stuff as much as we do. We are all fans. We want you to share your experiences and enjoy them together. Please keep the above guidelines in mind at all times, and everyone will have a safe, courteous, and fun time at the show!

www.comic-con.org | 2024 EVENTS QUICK GUIDE 63
Comic-Con International’s Independent Film Festival (CCI-IFF) takes place in the Marriott Marquis and Marina Hotel, next door to the Hall A side of the Convention Center. The Film Festival room is on the second level of the Marriott in Grand Ballroom 6.

The 23rd year of this fantastic event features 57 great films from 7 popular culture genres, including Action/Adventure, Animation, Comics-Oriented, Documentary (pop culture oriented), Horror/Suspense, Humor, and Science Fiction/Fantasy.

Participating filmmakers come from all over the world, including Canada, France, Israel, Italy, Malaysia, New Zealand, Portugal, South Korea, Spain, Sweden, and the United Kingdom, as well as the United States.

The schedule also includes the return of the popular ongoing panel series Comic-Con Film School, a daily series of how-to panels on filmmaking, plus additional film-related panels on Thursday, Friday, and Saturday.

On Sunday, the CCI-IFF Awards will be presented, followed by screenings of the award-winning films.

This year’s judges are film journalist and film critic, producer, and curator Leslie Combemale, actress, director, producer and writer Juliet Landau and actor Phil LaMarr.

**Leslie Combemale** is a film journalist and film critic, producer, and curator/galleryist. Her writing, which is focused on women and diversity in film, can be seen on the Motion Picture Association’s The Credits and on the Alliance of Women Film Journalists site, where she is senior contributor. She has a passion for screen artisans, celebrating them as owner of ArtInsights Animation and Film Art Gallery, now in its 31st year. She also exclusively represents the art estate of John Alvin, creator of movie posters for Blade Runner, E.T., Willow, The Lion King, and over 250 other films. An expert on the history of animation and film, she is dedicated to amplifying the careers of animators important to classic animated features and TV shows, production artists integral to tentpole franchises like Star Wars, Star Trek, and Lord of the Rings, as well as filmmakers bringing smaller indie features to the screen. She has produced panels at conventions and film festivals around the world since 1999, including at Comic-Con International. Since 2015, she has produced the SDCC panel Women Rocking Hollywood, which highlights the projects and careers of female filmmakers, and has featured Gina Prince-Bythewood, Hanelle Culpepper, Victoria Alonso, Catherine Hardwicke, Nisha Ganatra, and dozens of other talented women in film.

**Juliet Landau** is an actress, director, producer & writer. As an actress, highlights include Drusilla on Buffy the Vampire Slayer & spin-off Angel, co-starring in Tim Burton’s Ed Wood as Loretta King, recurring as Rita Tedesco on Amazon’s Bosch and recurring as Cordelia on TNT’s Claws. Juliet will soon be back recurring as Rita again, this time on season 3 of Bosch Legacy. Juliet’s visionary, multi-award-winning feature, A Place Among the Dead, had its worldwide streaming and Blu-ray release October Friday the 13th 2023. The picture stars Juliet with Gary Oldman, Ron Perlman, Robert Patrick, Lance Henriksen and Anne Rice, appearing for the only time ever in a scripted movie. The release plan was an extended period of worldwide, interactive, screening events and film festivals to build the conversation and prestige. This worked in spades! A Place Among the Dead was only submitted to 21 festivals, and, not only did it get into all 21, but swept every major category at every festival. Juliet reprised Drusilla, starring as the Big Bad opposite many original cast members in Audible’s recent audio original Slayer’s: A Buffyverse Story. She just recorded 2 seasons of a new Big Finish audiobook series that was written for her. She worked with BF before on Doctor Who audiobooks in conjunction with the BBC. Other acting work includes starring in over 20 films, appearing in many more, guest-starring frequently on television, extensive voiceover work and extensive work in the theater. Juliet previously directed two short subjects: Take Flight with Gary Oldman and Dream Out Loud with Guillermo del Toro, Joseph Gordon-Levitt and Rian Johnson. She and her husband Deverill Weekes are in the throes of making The Undead Series… The only documentary series ever to gather the A-list of the genre together in one place. Every one of the talented artists from A Place Among the Dead came back to participate in the series, as did Tim Burton, Willem Dafoe & many other notables. Juliet is a member of The Actors Studio, Women in Film, Film Independent, The Alliance of Women Directors, BAFTA and is an alum of Sundance Collab.

**Phil LaMarr**: A Los Angeles native, and Yale University alum, Phil has thrilled audiences for decades with his TV and film work on projects such as Pulp Fiction, Futurama, Samurai Jack, Static Shock, MADtv, Family Guy, Justice League, Star Wars: The Clone Wars, as well as video games series including Metal Gear Solid, Injustice and Mortal Kombat. In addition to developing the animated adaptation of the webcomic Goblins and writing on the sitcom Extended Family, Phil is performing monthly onstage with improv comedy group The Black Version in Hamster & Gretel, the Craig of the Creek movie, Invincible, new episodes of Futurama, and playing the role of “Sherlock Holmes” in Audible’s series Moriarty.
Comic-Con International welcomes the San Diego International Children’s Film Festival back Sunday for its 17th big year. This year’s day-long programming of some of the finest short films for children of all ages also officially launches the 20th annual edition of the festival, continuing with short films from 10 am to 5 pm on August 17 at the San Diego Central Library downtown - free admission for all. Our salute to D&D draws to a close with Humans and Households. Enjoy space and aliens with Ice Pirates, Starman, Godzilla vs Space Godzilla, Galaxy Quest, and Starman. Guard a princess with Conan the Destroyer. Fight crime with the Velocipastor and The Crow. We bring the film room to a close by doing the time warp again in The Rocky Horror Picture Show.

The Comic-Con Films department is proud to show movies in high-definition video, with stereo sound, and open captioning when available. Please enjoy the shows, and respect your fellow attendees by silencing your cell phones and not speaking during the movies (with the exception of sing-a-longs and audience participation films like The Rocky Horror Picture Show).

PORTFOLIO REVIEW

Portfolio Review Area time grids and company information sheets will be posted daily no later than 9:00 am. This information will include participating companies for that day and the eligibility requirements necessary to participate in each review. Applicants are expected to evaluate the information prior to applying for a review slot.

To make the procedure for Portfolio Review participation more equitable, if not predetermined by each company and explained in their requirements, the on-site process is as follows:

1. Each morning applicants may sign up to be on the list for a review for any of the companies participating that day. Applicants may fill out a Portfolio Review Sign-up Ticket for the company they wish to be reviewed by up to 30 minutes prior to that company’s first review time. Applicants may fill out a Portfolio Review Sign-up Ticket by:
   - going to the Portfolio Review Area and using the computer provided to fill out a Sign-up Ticket (the computer will be available no later than 9:00 AM); or
   - going to the Portfolio Review Area in the Sails Pavilion and filling out a paper Sign-up Ticket and handing it to a staff member.

2. A randomized list of participants will be printed for each company 30 minutes prior to the start of each review. Duplicate entries will be excluded. This list will be available at that company’s booth approximately 15 minutes prior to the start of its review time. It is the applicant’s responsibility to find their place on the list and be in the Portfolio Review area when their name is called.

3. A CCI Portfolio Review volunteer will be assigned to the company’s booth and will call the names of each participant on the list as needed by the reviewer. A chair will be available next to the volunteer for the next participant to wait in. Each upcoming participant slot name will be called up to three times. If a participant does not answer after the third time, he or she will be marked as a no-show, and the next participant on the list will be called.

4. If there are more applications than available slots for a company’s schedule, after all slots are filled the remaining names will be placed on a waitlist in the order in which they were picked. There is no guarantee that a company will complete its list or waitlist. In the case of a company not completing its list, it is up to each company to decide whether the list will be continued the next day or to have a new list drawing for that session.

Located on the Upper Level in the Sails Pavilion, the **Autograph Area** is the place to go for a special memento from a variety of artists, authors, and actors from every area of popular culture. Some sign directly after a panel, so check the programming grid daily.

The Autograph Area is open from 10:00 to 7:00 Thursday through Saturday and from 10:00 to 5:00 Sunday. No autograph sessions will be held before or after these times.

Changes and surprise additions will occur throughout the week; for the most up-to-date information, check out the Comic-Con website, www.comic-con.org. Updated schedules will also be published in the daily newsletter, on information boards located throughout the Center, and at the Autograph Area Information desk, which is staffed from 9:00 to 7:00 Thursday through Saturday and from 9:00 to 5:00 Sunday.

Because of high demand and the limited time available from Autograph Area participants appearing to sign autographs, some signings may require tickets. These tickets are dispersed through a line-drawing procedure. Additionally, the Autograph Area Coordinator may at any time shut down a line, even if people are still waiting for an autograph. If shutting down becomes necessary, we apologize for any inconvenience or disappointment.

Please note that Autograph Area participants may charge for their autographs in the Autograph Area as long as the participants work with the Autograph Area Coordinator to ensure that all rules are followed and that all of the required paperwork is prepared in advance.

Autograph Area Participants must sign one copy of an official Comic-Con publication, such as the Events Quick Guide, for any attendee at no charge. Participants may sign one other item instead of the publication at no charge instead, if the attendee would prefer the participant agrees. A purchase may not be required to sign an official Comic-Con publication or the substituted, agreed-upon item. Autograph Area participants are not expected to sign anything they deem offensive or that violates contractual agreements.

**Rules for Line Drawings**

Because of the popularity of many signings, some of which are limited by time or by the number of people the participant has agreed to sign for, those signings may be ticketed. Tickets for limited signings are distributed by drawings.

To participate in the drawing, please go to the indicated line and pick a ticket out of a container or push the button on the Box of Decision. The winning tickets will have a distinct stamp on the back, and the Box of Decision will light up green. Once a winner has been determined, they will immediately receive a wristband that will admit the wearer into the designated autograph line at the specified location and time. If you do not draw a winning ticket or if the Box of Decision lights up red, you may return to the end of the line to try again until all the wristbands have been given out.

Prior to the start of the ticket drawings, an area will be designated for those who wish to wait for the drawings to begin. You may line up for that day’s drawings each morning as soon as you enter the building. No other lines will be recognized other than those in this officially designated area. When space becomes available, each line will be escorted to the proper queue for the drawings to be done that morning. Winning the drawing for a line ticket grants you, with your winning wristband, the opportunity to stand in line to get an autograph at the location and time designated when you drew the winning ticket.

The duration of the autograph session is considered when determining the number of winning tickets. The fire marshal may shut down any line believed to be a hazard at any time. Your badge does not guarantee autographs at any event.

FREQUENTLY ASKED QUESTIONS

How does your badge system work? To help prevent scalping and counterfeit badges, Comic-Con badges are enabled with RFID (Radio Frequency Identification) tags. At various points of entry to the San Diego Convention Center, Hall H, and Indigo Ballroom, you will encounter gates with a large "Scan Here" indicator. All you need to do is tap your badge briefly to the indicator. When you do, you’ll get a green light that indicates you’ve been validated and are okay to enter. When you leave, you must tap your badge out so you may re-enter when you return. For more information on badges, see the Convention Policies on page 4–5.

Why do I have to wait until 9:30 AM to get into the Exhibit Hall? With such a large number of attendees to coordinate, the Comic-Con staff, exhibitors, and security need the few available morning hours to set up and get ready for the day's events.

What is the fastest way to get into the Exhibit Hall when the show opens in the morning? For the safety of the thousands of people who attend the show each day, Comic-Con needs to control the lines for entrance into the Exhibit Hall. There are two lines that you can wait in. One is located in the Sails Pavilion; the other is via the Bayside Corridor from Room 20 down to Room 27. These lines move first, and most of the people in them are let in before entry is allowed through the front doors of the Main Lobby. Waiting to enter from the Main Lobby doors can add a 25+ minute delay. Of course, you can always just wait for the line to be done and then walk in. Please note that there is also a separate line for programming in Hall H (see next paragraph). People with disabilities should contact the Deaf and Disabled Services desk in Lobby A to access a separate waiting area.

Where's the Hall H line? The Hall H line begins outside the Convention Center near the glass doors directly in front of Hall H—look for the large tents and chutes occupying Plaza Park. If you want to get in line for Hall H programs before the doors open in the morning, make sure you are in that line and not in the line to get into the Exhibit Hall or the Badge Member line, which runs parallel to the Hall H line outside in the morning. Keep in mind that the first loading of the day in Hall H is wristbanded, please see the article on the Hall H/Plaza Park Lines on page 10.

Does my membership badge get me into everything? All event spaces have limited capacity as set by the fire marshal. Even though a badge is needed to get into all programming events, it does not guarantee you access to an event that has reached its capacity limit. In addition, tickets will be needed for viewing the Masquerade in Ballroom 20, but these tickets are complimentary.

Do I have to wear my badge all the time? Yes! Always wear your badge and hang on to it! You’ll need your badge to get in the front doors and into the Exhibit Hall. You will also need your badge to attend any Comic-Con function, including those at the Hilton Bayfront Hotel, the Manchester Grand Hyatt, the Marriott Marquis & Marina, the Omni, and the San Diego Central Library, as well as nighttime events at the Convention Center and convention-sponsored parties. If you’re asked to show your badge, please do so. Your name and contact information are encoded in your barcode. Do not let anyone scan your barcode unless you want that person to have your mailing address. Please do not give away your badge to people outside the Convention Center when you leave Comic-Con. Also keep in mind that security will be spot-checking badges against IDs. Hold on to your badge!

How can I pre-register for Comic-Con 2025? There is no on-site pre-registration for next year's convention at this year's show. As an attendee who purchased a badge for 2024, you will be able to participate in Returning Registration for 2025.

Where is the Blood Drive? If you wish to give blood, please sign up at the Blood Drive booth in the Sails Pavilion upstairs at the Convention Center. The Blood Drive is at the Hyatt (next to Seaport Village) on the fourth floor in Coronado Ballroom D. You can give blood on Thursday, Friday, or Saturday from 9:00 to 6:00 or on Sunday from 10:00 to 3:30, but please check in first at the booth in the Sails Pavilion.

My friend is inside the hall with my badge—can you let me in to find her? No, but you can use the message area on the Information Board located in the Lobby of Hall B to leave her a message. It is strongly recommended that prior to entering the convention you arrange a meeting point with all members of your party just in case. Keep in mind that there is no paging.

How do I get to the Mezzanine, the program rooms, the bag check, first aid, etc.? See the article on pages 8, for directions to all Convention Center locations.

What are the Eisner Awards? Considered the “Oscars” of comics, the Will Eisner Comic Industry Awards will be held Friday night at 8:00 in the Indigo Ballroom at the Hilton Bayfront. For more complete information, see page 11. There is no charge to attend the Eisners, all you need is a four-day or a Saturday badge. However, it’s a gala event, so you are advised to dress nicely.

What is the Masquerade? The Masquerade is the on-stage costume competition held on Saturday night, starting at 8:30 in Ballroom 20 at the Convention Center. There is no charge for the Masquerade; all you need is a four-day or a Saturday badge. Because of limited seating in the Ballroom itself, a ticket is required for those seats ONLY, but these tickets are free and are available to those who get in line on Saturday (see the article on page 12-13). Tickets are not required for viewing the Masquerade in the Sails Pavilion or the overflow rooms (6A and 5AB).

Where are the Films rooms? There are two Film rooms. In the Convention Center films are shown each night in Room 4, Thursday through Saturday. At the Marriott Marquis, films are shown all day in Grand Ballroom 5, Thursday through Saturday.

Where do I find out if my favorite artist, writer, actor, etc., is signing autographs? Please check the listings for autograph signings starting on page 168 in this guide. If your favorite is associated with a booth or publisher in the Exhibit Hall, please check that booth for possible signing schedules. For schedule changes, please check the online daily Newsletter at www.comic-con.org or check our Comic-Con app for iOS and Android.
I got a ticket for a giveaway when I was at a program. How do I exchange it for the actual item? Giveaway tickets from most programs are redeemable at the Program Premiums Room, located in the Hyatt (next to Seaport Village) in Grand Ballroom AB on the first floor.

If I leave, can I come back in? You can come back into the Exhibit Hall and all the events (space permitting) as long as you have your Comic-Con badge with you and it’s valid for the day you wish to reenter. Single-day memberships are valid only for the day for which they are purchased. You do not need a hand stamp. Please note: Some of the bigger program rooms may require a ticket to leave and return, and that ticket is good only for the specific panel. Check at the door if you need a bathroom or food break. If you leave the Convention Center building, be sure to scan/tap out as you depart, so that you will be able to scan/tap in to reenter.

How late are you open? The Exhibit Hall is open from 9:30 to 7:00 Thursday through Saturday and from 9:30 to 5:00 on Sunday. The program rooms upstairs and on the Mezzanine have events running until late at night on Thursday through Saturday, including games and film screenings. At the Marriott Marquis, games, Anime, and Films continue late into the evening, Thursday through Saturday, and the Comic-Con merch room is open on Wednesday from noon until 9:00, Thursday through Saturday 9:00 until 8:00, and on Sunday 9:00 until 5:00. At the Hyatt, the Program Premiums Room is open until 8:00 Thursday through Saturday and 6:00 on Sunday. Also at the Hyatt, the Art Show is open Thursday/Friday until 8:00 and on Saturday/Sunday until 6:00 pm.

Do you have childcare? How much does it cost? Comic-Con will not be offering childcare.

Where do the shuttle buses go? How late do they run? The shuttle buses can take you from the Convention Center to downtown hotels and other locations (such as Horton Plaza, Ralph’s Grocery, parking lots) as well as hotels in Mission Valley, Shelter Island, and North Harbor Island. Check page 8 in this publication for route information and the shuttle schedule. If you have questions on the shuttle service or any special needs, ask at the Shuttle Info Desk outside of Hall E.

I have a paper cut—where can I get a Band-Aid? The Convention Center First Aid station is located at the south end of the main lobby in Hall C. An EMT is on duty during Exhibit Hall hours.

Why is there no parking? We encourage you to use public transportation (the Trolley stops opposite the Convention Center, at both Hall A and Hall E) and our shuttle service, which stops at several of the available parking lots downtown. See page 8 in this publication for locations. You’ll find more parking info on the Comic-Con website.

Where’s the ATM? In addition to the ATMs located next to the elevators in Hall B, ATMs can be found in front of Hall E, next to the Starbucks.

Where can I get an official Comic-Con event T-shirt? The Comic-Con event T-shirt, as well as other branded new and vintage merchandise offerings are available at the Comic-Con Merch room in Pacific Ballroom 26 of the Marriott Marquis, or via our website. There is no booth in the Exhibit Hall. Quantities may be limited for some items. In addition, a small number of Comic-Con items will be available for sale at Comic-Con Museum in Balboa Park and Hudson News at the San Diego International Airport.

I’m tired of carrying all the stuff I bought. Is there somewhere I can store it? Bag Check is available from the Convention Center for a nominal fee and is located in the lobbies of Halls E and F. If you would like to purchase boxes to ship your items, you can visit the Business Center, located in the lobby of Hall D.

I lost my wallet—what should I do? Check at the Lost & Found Office in the Hall D Lobby. If you get home and realize you may have left something at the Convention Center, please contact the Convention Center’s Lost and Found.

I’m lost—what do I do? Look for the people on the front drive outside of the Convention Center with the “Ask Me!” T-shirts! They can provide general information and directions. They have desks in front of the Hall B1 and Hall E2 doors marked with large banners that say Information; the latter is also the Shuttle Info Desk. In addition, look for the large “You Are Here” maps in the Lobby, on the walkway, in the Sails Pavilion, and in other areas. And don’t forget to consult the maps in this publication.

My costume has a weapon … will that be a problem? No functional weapons are allowed at Comic-Con. Please read the costume props guidelines on page 8.

Why don’t you let us all in for free? San Diego Comic Convention (Comic-Con International) is a California Nonprofit Public Benefit Corporation organized for charitable purposes and dedicated to creating the general public’s awareness of and appreciation for comics and related popular art forms, including participation in and support of public presentations, conventions, exhibits, museums and other public outreach activities which celebrate the historic and ongoing contribution of comics to art and culture. All revenues are used to finance various aspects of the show, including Convention Center rental, security, equipment rentals, shuttle buses, office expenses, and the kinds of things you can’t find at other conventions, such as the Art Show, the Films program, Deaf and Disabled Services, the Masquerade, and the many programming tracks.
