COMIC-CON 2022 HOURS

WEDNESDAY:
Preview Night 6:00 to 9:00 PM

THURSDAY–SATURDAY:
9:30 AM to 7:00 PM*

SUNDAY:
9:30 AM to 5:00 PM

*Programming continues into the evening hours on Thursday through Saturday nights.
To help prevent scalping and counterfeit badges, Comic-Con badges are once again enabled with RFID (Radio Frequency Identification) tags. At various points of entry to the San Diego Convention Center, Hall H, and the Indigo Ballroom at the Hilton San Diego Bayfront hotel, you will encounter gates with a “SCAN HERE” indicator near the top of the gate. All you need to do is tap your badge briefly to the indicator. When you do, you’ll get a green light that indicates you’ve been validated and are okay to enter. When you leave, you MUST tap your badge out so you may re-enter when you return.

It is important to remember to tap your badge when you leave, or you could be denied re-entry! If you forget to tap out or if you are experiencing an issue with your RFID badge, please visit one of our RFID Badge Help Desks located in Lobby A, D, and G of the San Diego Convention Center or visit Attendee Badge Solutions in the Registration Area located upstairs in the Sails Pavilion. Remember, to resolve a badging issue, you will need a photo ID to validate that you are the badge holder of record.

Always wear your badge and hang on to it! You will need your badge to attend any Comic-Con function, including all daytime and nighttime panels and events at the San Diego Convention Center and other program and event locations around downtown (including the Marriott, Hilton, Hyatt, and Omni hotels, plus the San Diego Central Library, and, of course, browsing or shopping in the Exhibit Hall). Keep your badge visible so guards do not stop you. If you’re asked to show your badge and photo ID, please do so. Badges are nontransferable.

Please do not give your badge to a friend or to people outside the Convention Center when you leave Comic-Con. Security will perform random ID checks throughout the convention, so make sure the name on your badge matches your photo ID!

A complete Comic-Con 2022 badge is made up of two pieces only: the plastic badge holder with an RFID sticker and your daily or 4-Day paper name badge(s). You must wear and display your complete badge at all times while on-site at any official Comic-Con event.

Your badge is considered invalid if it is missing a paper name badge or the plastic holder with an attached RFID sticker.

Anyone with damaged or tampered with badges/RFID stickers will not be allowed access to the San Diego Convention Center. If your RFID sticker is damaged, or has been removed, please bring your badge confirmation, damaged badge/sticker, and a valid photo ID to the Attendee Badge Solutions Desk in the Sails Pavilion when you arrive onsite.

STUDIO OR EXHIBITOR SIGNINGS AND MERCHANDISE TIME SLOTS

The online Exclusives Portal was designed to help decrease the time spent waiting in line for ticketed exclusives, and increase the time available for doing the things you love!

There will be no standby lines for “leftover” studio or exhibitor exclusive signing wristbands or exclusive merchandise purchasing time slot opportunities. Fans that were selected online must read their selection confirmation for detailed redemption details (where to go, when to go, and what to bring).

**HALL H Wristbands, and Guidelines**

**Hate waiting in line? We do too!** To help you manage your valuable time at Comic-Con and to discourage line cutting, the Toucan Tracker wristbands will be returning to Hall H for 2022. Toucan Tracker wristbands give attendees flexibility based upon their priorities at Comic-Con. If you wish to get a front section seat in Hall H, you are welcome to wait in line overnight once you receive your wristband. If seat placement is not a priority to you, wristbands allow you to receive general seating in Hall H and come back in the morning. Toucan Trackers are essentially a way for you to know that you have a seat in Hall H, whether you are physically in line or not.

**SO HOW DO THEY WORK?**

Toucan Tracker wristbands will be given out the night before for the next day’s Hall H first seating. For example, Saturday morning’s wristbands will be given out on Friday night. After verifying your badge, you will receive a wristband that must be securely attached to your wrist. Once you receive your wristband, you have three options:

1. You may leave, get a good night’s rest, and return to the end of the wristbanded line before 7:30 am. Please keep in mind that you must be there before 7:30 am.

2. You may leave someone to hold your place in line, and return before 7:30 am to meet them. You will be allowed to join them in line as long as you have a matching wristband for your group. If your group wishes to enter together, all members of your group will need to get wristbands at the same time, so plan accordingly.

3. You may immediately line up for the following day’s first panel in Hall H. If you decide to leave the line at any point, you may return to the end of the wristbanded line prior to 7:30 am and still gain entry to the first panel of the day in Hall H. You do not need to wait overnight! If you return after 7:30 am, you will have to go to the end of the Hall H line and may not receive first seating.

**Note:** You cannot leave unattended personal items (chairs, sleeping bags, clothing, etc.) as a placeholder in line. Someone must be present at all times. You can hold space for groups up to 5 people.

**AND WHERE DO YOU GET THESE FABULOUS WRISTBANDS?**

Toucan Tracker wristbands will be distributed at the front of the Next Day Line for Hall H. Distribution times vary by day. Please see the map to the right for the location of the Next Day Line.

You will need your Comic-Con 2022 badge or your barcode confirmation to receive a wristband. Be aware that IDs will be checked, and the name on your photo ID must match the barcode confirmation.

**DISTRIBUTION DATES/TIMES**

- **Wednesday,** July 20:
  - Wristband distribution for Thursday panels in Hall H will begin at 8:00 am in the general Hall H line in Plaza Park.

- **Thursday,** July 21:
  - Wristband distribution for Friday panels in Hall H will begin at 1:15 pm at the front of the Next Day Line.

- **Friday,** July 22:
  - Wristband distribution for Saturday panels in Hall H will begin at 9:15 am at the front of the Next Day Line.

- **Saturday,** July 23:
  - Wristband distribution for Sunday panels in Hall H will begin at 9:15 am at the front of the Next Day Line.

**Note:** Wristband distribution will continue throughout the night until all wristbands are distributed or until 7:30 am the following day.

**Remember,** you do not need to wait in line overnight to receive first seating. Your wristband ensures first seating for the first panel of the day in Hall H. You are welcome to have someone hold your place in line or simply return to the end of the wristbanded line prior to 7:30 am.

Wristbands will only be used for the first panel of the day in Hall H. Once the wristband line has been let into the hall, individuals without wristbands will be allowed to enter.

**THE FINE PRINT:**

Wristbands are issued such that the wristband holder will have first seating for Hall H (barring any unforeseen circumstances). We anticipate that all holders of wristbands will be able to get seating for Hall H if you follow the guidelines above. Comic-Con reserves the right to refuse entry to any person for any reason.

Wristbands cannot be traded or sold. By receiving a wristband, you agree not to sell, trade, transfer, or share your wristband. In the event that San Diego Comic Convention/Comic-Con International (SDCC) determines that you have violated this policy, SDCC has the right to cancel your badge(s) with no refund.

Comic-Con reserves the right to change times or procedures for distributing any wristbands for any reason. Safety concerns, and requests from the Convention Center, the Fire Marshal, Police, City, or Port may require us to change our published plans.
Remember: These are the only OFFICIAL Comic-Con Apparel and Merchandise...accept no substitutes.

This year we’re offering several new apparel items in various styles and sizes; a specialty tie-dye shirt, holographic hoodies, exclusive print, masks, lanterns, drinkware, hats, duffle bags, and pins. These official Comic-Con products are available on-site and online!

SAN DIEGO CENTRAL LIBRARY PROGRAMS

EDUCATION PROGRAMS

The first series of programs, devoted to education, literacy and library issues, will take place in the Helen Price Reading Room on the 8th floor. This panel track starts on Wednesday, July 20 and continues through Sunday, July 24.

Comic-Con seeks to engage the community and promote comics as a medium for learning and as a literary art form. Our hope is to create an event that will allow librarians and educators to come together to learn ways to incorporate comics and graphic novels in their perspective fields. We also want to bring in publishers as part of the event to allow librarians and educators a chance to speak directly to them in regards to their plans to support comics and graphic novels in the classroom and libraries. In an effort to aid this goal, Comic-Con has opened up this specific panel track to educators and librarians without a Comic-Con badge. Covid wristbands will still be required for this event.

PODCAST AND WEB SERIES PROGRAMS

The second track of panels, dedicated to podcasts and web series, will take place in the Neil Morgan Auditorium, on the 1st floor of the Library.

SAN DIEGO CENTRAL LIBRARY PROGRAMS AND EVENTS

Comic-Con’s expanded campus once again includes the San Diego Central Library. This state-of-the-art location will be home to two panel rooms, which will run specific programming tracks featuring targeted content.

The San Diego Central Library's official address is 330 Park Blvd, but the quickest way to get there from the Convention Center is to take the pedestrian bridge next to the Hilton San Diego Bayfront, which exits onto Park Blvd. Walk up to 11th Avenue and make a left and the Library will be front of you. The entrance opposite 11th Ave. and K St. is where the Neil Morgan Auditorium is located. The 330 Park Blvd. entrance is on the opposite side of the building, adjacent to the trolley tracks.

See the Program Schedule Grids beginning on page 29 for the complete San Diego Central Library schedule.

The newest addition to the world of Comic-Con is the Comic-Con Museum, located in Balboa Park at 2131 Pan American Plaza (formerly the Hall of Champions). The Museum debuted the world premiere of Marvel’s Spider-Man: Beyond Amazing — The Exhibition on July 1. The exhibit features original art, props, costumes, and interactive displays in addition to a dedicated retail space. Additional exhibits available for viewing include Eight Decades of Archie, Hemingway in Comics, Dave Stevens and the Rocketeer, Art for Art’s Sake and the PAC-MAN Arcade.

DON'T MISS THE FIFTH ANNUAL COMIC CONFERENCE FOR EDUCATORS AND LIBRARIANS

During San Diego Comic-Con 2022, THURSDAY, JULY 21 – SUNDAY, JULY 24 at the San Diego Central Library

Through presentations focused on educators and librarians, Comic-Con hopes to engage the community and promote comics as a medium for learning and as a literary art form. Our hope is to create an event that will allow librarians and educators to come together to learn ways to incorporate comics and graphic novels in their respective fields.
